Selamat Datang

Welcome to the Jewel of Langkawi Island.

Welcome to a world of lush opulence and elegant comfort, setting international standards of excellence for what is yet unveiled - Langkasuka Resort surpasses every requirement as it majestically open its "doors" to bid you a warm welcome.

Enter a sanctuary of cool, restful ambiance with a vista of an arrestingly picturesque waterfall. The centrepiece of Langkasuka Resort, it cascades into a central sunken pool embedded within a plethora of palms and tropical foliage, capturing the audience of the grand entrance, reception, conference and banquet hall as well as the 260 luxurious rooms.

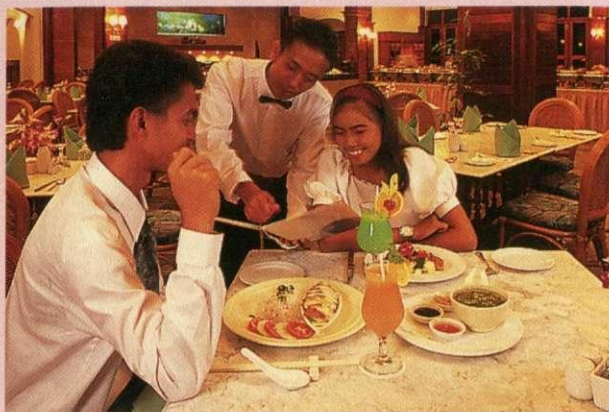

The entire resort echoes the cool atmosphere set by the waterfall through the extensive use of marble, balanced for a rural and warm tone with the incorporation of timber and slate, which uniquely captures the essence of

Langkawi Island. The 5-star resort houses an impressive 214 luxurious rooms, ranging from 2 Royal Suites, 8 Executive Suites, 12 Junior Suites, 78 Deluxe King and 114 Queen rooms, all fitted out divinely to cater to every whim and fancy of our guests.

Langkasuka

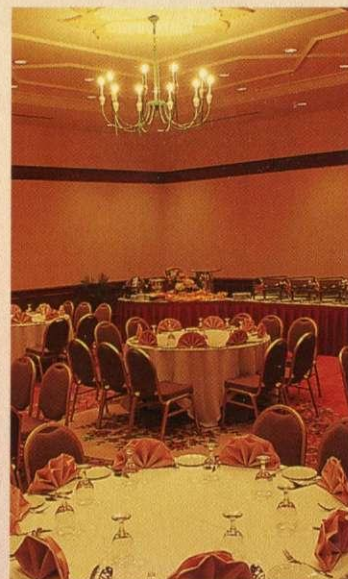

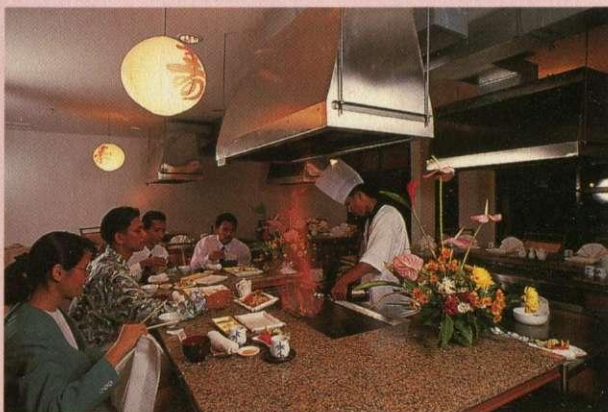

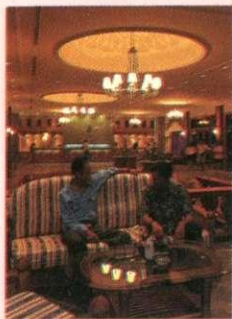

As the country is deliciously famous for the casual hawker-style setting, Langkasuka Resort offers a variety of local cuisine in this manner, conforming to the non-conformist laid-back style that is unmistakably Malaysian.

A Japanese restaurant offers something more delicate to the senses and exotic to the palate, such as authentic Japanese tea, coffee, soba (Japanese noodle) and a variety of other beautifully presented, tongue tickling dishes to be savoured within the hushed serenity of a traditional Japanese setting, capturing time and movement that one is most inclined to relax and take life one mouthful at a time.

Although well-versed in catering to the comfort of guests, Langkasuka Resort is equally equipped to offer corporate services in the form of a spacious conference/banquet hall of understated opulence and elegance, occupying a building of its own, where business can be conducted in a discreet and dignified manner amongst the lush surroundings. It is connected to the main hotel via a passageway and comfortably sit 60 people for a private dinner or up to 100 people with theatre-style setting.

An abundance of varied activities can be arranged at Langkasuka Resort-whether action-oriented or laid-back and tranquil for a more relaxed pace, among them exciting souvenir hunts and water sports such as jet-skiing, diving and sailing. Those whose life-long motto is "Shop till I drop" will be extremely satisfied and occupied with the international standard shopping arcade blessed with Langkawi's duty-free status. Expeditions can be arranged for those whose desires require venturing outside the resort, exploring and absorbing the magical atmosphere of the island, be it jungle-trekking, island hopping, local art or other mystical sight-seeing tours.

Langkasuka Resort is an experience not to be missed as it will definitely match your every whim, satisfy your every fancy. How can it not, it is after all a magical jewel of a resort on an enchanted island of myths and legends.
